

## API Meeting

5/10/2021

EPA Attendees: Joe Goffman, Ale Nunez, Bill Charmley, Byron Bunker, Ben Hengst, Eunjung Kim

API Attendees: Alexander Dominguez, Robert Anderson, Michael Birsic, Jennifer Draper, Richard Guerard, Jason Larrabee, Mariana Diaz, Patrick Kelly, Kristin Whitman

Notes on API's asks:

### 2020 & 2020 RVO

- There is a challenge of blending renewable fuel because there is less need of fuel for transportation vehicles due to COVID
  - Don't increase volume standards

### Fuel Standards

- RFS program not effective in carbon fuel usage
  - Set Rule should be about carbon reduction rather than RVOs

### Vehicle standards

- Please invited comments from stakeholders for vehicle standards.
